

**REMARKS**

**Status of Claims**

Claims 22-42 are pending in the application. In the Office Action of April 3, 2007, the Examiner has indicated that: claims 22-37 remain rejected; claims 38-41 would be allowable if rewritten to overcome the Examiner's indefiniteness rejection; and, claim 42 is allowed.

In light of the Examiner's statements, and solely to expedite prosecution, Applicants have cancelled claims 22-37. Applicants reserve the right to file a continuation application or take other such action as is necessary to preserve the subject matter embodied in these cancelled claims.

Also in light of the Examiner's statements, Applicants have amended claims 38-41 to overcome the rejection of these claims under 35 U.S.C. § 112, second paragraph, as indefinite. Applicants thank the Examiner for his helpful recommendations regarding the appropriate modifications to the language of these claims in order to overcome this indefiniteness rejection. No new matter has been added by way of these amendments.

**SUMMARY**

In light of the above cancellations and amendments, claims 38-42 should be allowed.

The present Response requires a fee for a two month extension of time. The Commissioner is hereby authorized to charge that fee, and any other fee that may have been overlooked to Deposit Account No. 10-0223.

Should the Examiner have any questions regarding this Response or this case, the Examiner is invited to call the undersigned at 585-899-2944.

Respectfully submitted,  
/Andrew O. Scheinman/
